VOLUNTEER'S PREFERRED CONTRIBUTION

Our volunteers, most of whom are members of the incorporated association help in so many generous ways to make Boondooma Homestead and its activities a success.

However we know from talking to you that there are quite a few of you who would like to be involved with a small group for occasional projects, but don't get to hear about them.

With work progressing around Boondooma Homestead, Buddy could do with a few extra helpers from time to time, as materials become available.

As you know, because Boondooma Homestead is a Heritage site, all work is directed by Buddy to meet the methods required by our various governing bodies. This does not suit everyone.

Hopefully this questionnaire will help us to contact those wishing to be involved.
